2021

FROM THE PASTOR'S DESK

Friends,

I am so excited to write about worshipping together for the first time since I arrived last May. We are getting ready. On May 23rd, we ran the Zoom service from the sanctuary. I got to preach from the pulpit for more than a year! Zooming from the front parlor of the parsonage, I always led worship in my slippers. I really did not mind wearing shoes again.

On June 6, weather permitting, we will have an outdoor Communion service on the North side of the church, near the Memorial Garden. It will be one more step toward worshipping in the sanctuary again. When we return to the sanctuary, we will still need to exercise an abundance of caution.

For the time being, we will have to require masks while inside the building for all people at all times. Even though many of us are fully vaccinated, we are not asking anything more than retail outlets and offices require, in keeping with current CDC guidelines.

We are all tired of wearing masks. Hopefully, they will be behind us soon. Think of wearing a mask as an act of hospitality. By wearing masks while we are in the church, we are telling everyone who comes through the door that we want them to feel safe with us.

In Christ,
Richard Malmberg

June 2021

I've been filling out the questionnaire from the May Parish Visitor. It's on the dining room table so when I have another thought to write down the page is handy. Certainly, there are parts of Zoom church that none of us will miss but there are some aspects of Zoom I think will be with us for a while (how about cold, winter meetings on Zoom while remaining in the comforts of our home). Please fill out the form if you haven't already.

Transitions are tough. Here we are returning to the sanctuary in a hybrid model for a few weeks (don't forget the outside service June 6) and we're planning on being in church for services starting June 20. June 20 is also the Annual Meeting. We have a new sound system and a video camera so the services, like the one today, May 23, are two huge steps forward to returning completely to the sanctuary yet continuing to reach out to the wider community. Gordon Pugh and Bruce and Jan Martin donated funds to pay for the sound and video systems. Thank you.

Yesterday, May 22, Richard, Amy, Paul, Minna and I had a practice session in preparation for re-entry into the sanctuary. Thank you to them for their tireless effort to bring quality services over the last year but especially for working to have services in the sanctuary. With being able to broadcast the services live on Zoom we'll still have Ginny, Marie, Laura, Jim, my grandchildren

(maybe) and so many others near and far join us. And maybe, just maybe, some of the near ones will join us in the sanctuary. There is always hope. New people will arrive when they experience what we do and want to be part of it.

Here comes summer. We're not out of this pandemic yet. The COVID-19 virus is still active in Cheshire County. Until a larger percentage of our population is vaccinated many public health professionals maintain that we need to satisfy two of the three most accepted guidelines in order to stay safe: be outside, wear a mask and keep 6' apart. If we're going to be in the sanctuary that means be prepared to wear a mask and stay 6' apart. See you in church soon.

Peace, Chuck

Women's Fellowship met at the home of Betsey Congdon for a meeting, pot-luck supper and fellowship on May 12th. Although there were only 11 ladies in attendance there was good food and enjoyable conversation. We had a short business meeting which included an election of officers. Sue Krebs was elected as secretary and Jan Martin as treasurer. We also voted to give \$600.00 to Bekki Bowen for a camp scholarship to the Horton Center. We didn't have a planned program and everyone was content to share life experiences caused by the Covid 19 pandemic. Women's Fellowship had a table at the rummage/yard sale and made a little money - \$68.15 - and Kathy donated the \$134.00 she made from the sale of her home-made cinnamon buns. Women's Fellowship will not be meeting again until September.

THE DEACONS

Good morning Church. We ask you all to pray for good weather on June 6th. It is a Communion Sunday, and the deacons are hoping to have all of us gather together for an outdoor service at 10 am. Our first non-zoom service in thirteen months! Hallelujah and Amen. The deacons have purchased Covid safe, individual servings of the elements for Communion. This will also be Pastor Richard's first face-to-face service since he arrived thirteen months ago. Although there is no coffee hour planned, if someone wishes to make coffee and punch only, I am sure it will be greatly appreciated.

Once again, the deacons wish to thank all who have been liturgists and scripture readers. This is a wonderful way to contribute your time and talents to our church services. Thank you all again and know that you are appreciated.

The DOMs for June are Jennifer Hanrahan and Minna Good.

The next deacon's meetings will be Saturday, June 5th at 9:30 am and Thursday, June 10th at 5pm. Meetings will be at the church, masks required.

Minna Good

The Finance Committee has been putting in some extra meeting time trying to work out next year's budget. A final draft has not yet been completed. It will be ready to be presented for the approval of the congregation at the annual meeting.

At our most recent meeting, current net loss for this fiscal year was reported at \$55,218. Though sobering, this was not entirely unanticipated since we have been operating on a deficit budget. The shortfall has been supported by withdrawals from the endowment. Much is due to this past year's challenges during the pandemic. Resuming church services should help our revenue as we slowly resume more of our normal activities.

The report from the Investment Advisory Team was overall positive, with value holding steady, though some of the returns for the first quarter were not optimal.

Stewardship will be promoted this year with a series of "Stewardship Moments" presented each Sunday until June 20th. Pledge cards have been mailed to all of you and we hope to receive them back soon.

In closing, a shout-out to all people who helped put on the Rummage/Yard Sale. It was truly inspirational to see all the effort put into that successful event. Congratulations to all!

Sue Krebs
Janet Wilson

We met with and contracted Bill Farrell of William Farrell Video Productions to film by aerial drone the steeple and the roof of the Church. Bill got some very good photos of the damage to the steeple and roof that we will present at the annual meeting.

We met with the neighbor next to the parsonage, requesting permission to remove limbs from the trees overhanging her property. She brought to our attention some of the trees that need to be removed that are dead or dying. We are trying to meet with Rice Tree Service to discuss taking out some trees and trimming others.

We met with Jerod from Tip Top Maintenance about beginning a clean-up of the area on the back parcel of land that the Church purchased a couple years ago.

We have scheduled Expert Pest Services to spray around the Parsonage and Church for black ants, which have now become active.

In June the annual inspection and certification of the elevator will be done by the State of New Hampshire, Countryside Lock and Alarm, and Otis Elevator.

It is with eager anticipation that we await the beginning of repair work on the steeple. We expect work to begin in early July. Be warned the front area of the Church will be taped off as a work zone for safety.

Trustee George Jeffrey painted the nasty door going into the furnace room! Thanks, George! Who knew there was a nasty door down there?

For the Trustees, Dale Woodward

Zimbabwe Container Project: July 14th

It has been a couple of years, but here we go again! Let's fill up boxes to send to Chiredzi and other churches in Zimbabwe. Churches in New Hampshire will be filling up a shipping container to be sent over. They have not set an exact date but are planning on late August or early September. We need to hustle. We plan on a drop off date at our church on Wednesday, July 14 from 1 to 6pm. Here is what they would like to receive:

Medical supplies—eyeglasses, magnifiers, etc., **Tools**—(nothing that needs to be plugged in), **Personal Care** items, **Athletic equipment**, **Clothes** (climate appropriate and shoes in excellent condition), **Artist supplies**, **Sewing items**. That's our list, so let's get going. Once we receive all your items, we need to sort, box and label and be ready to deliver to Spalding High School.

There will be more information coming in the Thursday announcements and in the bulletins.

Just imagine how excited our church in Zimbabwe will be to receive gifts from us. As Bonnie said, "It will be like Christmas". Please start thinking what you want to send to our sisters and brothers in Chiredzi.

In other news, we want to thank the volunteers at our recent Rummage Sale. You made the day go smoothly and saved us from overtime. We appreciate all your help. We could not do it without you. So, we may have to do it again in the fall.

Upcoming on June 6 and 13, will be the Strengthen the Church offering. You'll find out more in a separate article.

Missions would not be in Action without you.

Thanks for all your support. Peg Winnen,

Strengthen the Church Offering

Your "opportunity for giving" in the month of June is to honor our 5 for 5 commitment by giving to Strengthen the Church.

This fund goes directly to building up the UCC by supporting leadership development, new churches, youth ministry and innovations in existing churches.

We will be taking contributions June 6th and June 13th. Your checks should be made out to First Congregational Church with Strengthen the Church in the memo line and put into Linda Smith's mailbox.

Thank you for your continued commitment to these special offerings. Chris Miller

PLEASE POST THIS CALENDAR FOR EASY REFERENCE

JUNE 2021

Calendar subject to change due to challenges of Covid-19

Sunday, June 6	Worship Service Outdoor Service - Weekly Offering Communion Sunday	10:00 am
Wednesday, June 9	Executive Board Meeting	5:00 pm
Thursday, June 10	Deacons Meeting	5:00 pm
Saturday, June 12	Council Meeting on Zoom	8:30 am
Sunday, June 13	Worship Service online via Zoom - Weekly Offering	10:00 am
Tuesday, June 15	Finance Committee Meeting	4:30 pm
Sunday, June 20	* Grand Re-opening Worship Service in the Sanctuary ! * Annual Meeting following the service - Weekly Offering	10:00 am
Sunday, June 27	Sunday Worship Church is Open – Weekly Offering	10:00 am

Tuesday, June 22nd, Clarion Deadline

Tuesday, June 22nd, Parish Visitor Deadline

Church Office Hours: 9 am to 12 noon, M-F

Missions are busy !

Another \$10,000 Food Challenge!

The anonymous donor has come through yet again. This time it is for Friendly Meals which are served twice a week in Alstead. If the community can donate \$10,000 by the 4th of July, that amount will be matched.

Let's make this our opportunity for giving between Memorial Day and the 4th of July.

We will need to end the donating period by Sunday, June 27th in order for them to receive our contributions by the 4th of July.

Thank you for stepping up to this challenge.

We have had a lot of interest in the apple pie recipe that was made for our bake sale.

Mystery solved. It was Rachel St. John's pie and here are her instructions.

"I wish it was a great story about it, but really it is just an [allrecipes.com](https://www.allrecipes.com) recipe and store-bought crust.

Filling: <https://www.allrecipes.com/recipe/12682/apple-pie-by-grandma-ople/>

I latticed the top and did an egg wash on it (mix up a raw egg, brush on exposed crust just before putting it in the oven). That's it!

I am not sure if it is okay to distribute recipes that are from a website, but since there is no money involved and if it is properly credited, my guess is that it would be fine."

We have scheduled Expert Pest Services to spray around the Parsonage and Church for black ants, which have now become active.

In June the annual inspection and certification of the elevator will be done by the State of New Hampshire, Countryside Lock and Alarm, and Otis Elevator.

It is with eager anticipation that we await the beginning of repair work on the steeple. We expect work to begin in early July. Be warned the front area of the Church will be taped off as a work zone for safety.

Trustee George Jeffrey painted the nasty door going into the furnace room! Thanks, George! Who knew there was a nasty door down there?

For the Trustees, Dale Woodward

Zimbabwe Container Project: July 14th

It has been a couple of years, but here we go again! Let's fill up boxes to send to Chiredzi and other churches in Zimbabwe. Churches in New Hampshire will be filling up a shipping container to be sent over. They have not set an exact date but are planning on late August or early September. We need to hustle. We plan on a drop off date at our church on Wednesday, July 14 from 1 to 6pm. Here is what they would like to receive:

Medical supplies—eyeglasses, magnifiers, etc., **Tools**—(nothing that needs to be plugged in), **Personal Care** items, **Athletic equipment**, **Clothes** (climate appropriate and **shoes** in excellent condition), **Artist supplies**, **Sewing items**. That's our list, so let's get going. Once we receive all your items, we need to sort, box and label and be ready to deliver to Spalding High School.

There will be more information coming in the Thursday announcements and in the bulletins.

Just imagine how excited our church in Zimbabwe will be to receive gifts from us. As Bonnie said, "It will be like Christmas". Please start thinking what you want to send to our sisters and brothers in Chiredzi.

In other news, we want to thank the volunteers at our recent Rummage Sale. You made the day go smoothly and saved us from overtime. We appreciate all your help. We could not do it without you. So, we may have to do it again in the fall.

Upcoming on June 6 and 13, will be the Strengthen the Church offering. You'll find out more in a separate article.

Missions would not be in Action without you.

Thanks for all your support. Peg Winnen,

Strengthen the Church Offering

Your "opportunity for giving" in the month of June is to honor our 5 for 5 commitment by giving to Strengthen the Church.

This fund goes directly to building up the UCC by supporting leadership development, new churches, youth ministry and innovations in existing churches.

We will be taking contributions June 6th and June 13th. Your checks should be made out to First Congregational Church with Strengthen the Church in the memo line and put into Linda Smith's mailbox.

Thank you for your continued commitment to these special offerings. Chris Miller

Another \$10,000 Food Challenge!

The anonymous donor has come through yet again. This time it is for Friendly Meals which are served twice a week in Alstead. If the community can donate \$10,000 by the 4th of July, that amount will be matched.

Let's make this our opportunity for giving between Memorial Day and the 4th of July.

We will need to end the donating period by Sunday, June 27th in order for them to receive our contributions by the 4th of July.

Thank you for stepping up to this challenge.

We have had a lot of interest in the apple pie recipe that was made for our bake sale.

Mystery solved. It was Rachel St. John's pie and here are her instructions.

"I wish it was a great story about it, but really it is just an [allrecipes.com](https://www.allrecipes.com) recipe and store-bought crust.

Filling: <https://www.allrecipes.com/recipe/12682/apple-pie-by-grandma-ople/>

I latticed the top and did an egg wash on it (mix up a raw egg, brush on exposed crust just before putting it in the oven). That's it!

I am not sure if it is okay to distribute recipes that are from a website, but since there is no money involved and if it is properly credited, my guess is that it would be fine."

2021

FROM THE PASTOR'S DESK

Friends,

I am so excited to write about worshipping together for the first time since I arrived last May. We are getting ready. On May 23rd, we ran the Zoom service from the sanctuary. I got to preach from the pulpit for more than a year! Zooming from the front parlor of the parsonage, I always led worship in my slippers. I really did not mind wearing shoes again.

On June 6, weather permitting, we will have an outdoor Communion service on the North side of the church, near the Memorial Garden. It will be one more step toward worshipping in the sanctuary again. When we return to the sanctuary, we will still need to exercise an abundance of caution.

For the time being, we will have to require masks while inside the building for all people at all times. Even though many of us are fully vaccinated, we are not asking anything more than retail outlets and offices require, in keeping with current CDC guidelines.

We are all tired of wearing masks. Hopefully, they will be behind us soon. Think of wearing a mask as an act of hospitality. By wearing masks while we are in the church, we are telling everyone who comes through the door that we want them to feel safe with us.

In Christ,
Richard Malmberg

June 2021

I've been filling out the questionnaire from the May Parish Visitor. It's on the dining room table so when I have another thought to write down the page is handy. Certainly, there are parts of Zoom church that none of us will miss but there are some aspects of Zoom I think will be with us for a while (how about cold, winter meetings on Zoom while remaining in the comforts of our home). Please fill out the form if you haven't already.

Transitions are tough. Here we are returning to the sanctuary in a hybrid model for a few weeks (don't forget the outside service June 6) and we're planning on being in church for services starting June 20. June 20 is also the Annual Meeting. We have a new sound system and a video camera so the services, like the one today, May 23, are two huge steps forward to returning completely to the sanctuary yet continuing to reach out to the wider community. Gordon Pugh and Bruce and Jan Martin donated funds to pay for the sound and video systems. Thank you.

Yesterday, May 22, Richard, Amy, Paul, Minna and I had a practice session in preparation for re-entry into the sanctuary. Thank you to them for their tireless effort to bring quality services over the last year but especially for working to have services in the sanctuary. With being able to broadcast the services live on Zoom we'll still have Ginny, Marie, Laura, Jim, my grandchildren

(maybe) and so many others near and far join us. And maybe, just maybe, some of the near ones will join us in the sanctuary. There is always hope. New people will arrive when they experience what we do and want to be part of it.

Here comes summer. We're not out of this pandemic yet. The COVID-19 virus is still active in Cheshire County. Until a larger percentage of our population is vaccinated many public health professionals maintain that we need to satisfy two of the three most accepted guidelines in order to stay safe: be outside, wear a mask and keep 6' apart. If we're going to be in the sanctuary that means be prepared to wear a mask and stay 6' apart. See you in church soon.

Peace, Chuck

Women's Fellowship met at the home of Betsey Congdon for a meeting, pot-luck supper and fellowship on May 12th. Although there were only 11 ladies in attendance there was good food and enjoyable conversation. We had a short business meeting which included an election of officers. Sue Krebs was elected as secretary and Jan Martin as treasurer. We also voted to give \$600.00 to Bekki Bowen for a camp scholarship to the Horton Center. We didn't have a planned program and everyone was content to share life experiences caused by the Covid 19 pandemic. Women's Fellowship had a table at the rummage/yard sale and made a little money - \$68.15 - and Kathy donated the \$134.00 she made from the sale of her home-made cinnamon buns. Women's Fellowship will not be meeting again until September.

THE DEACONS

Good morning Church. We ask you all to pray for good weather on June 6th. It is a Communion Sunday, and the deacons are hoping to have all of us gather together for an outdoor service at 10 am. Our first non-zoom service in thirteen months! Hallelujah and Amen. The deacons have purchased Covid safe, individual servings of the elements for Communion. This will also be Pastor Richard's first face-to-face service since he arrived thirteen months ago. Although there is no coffee hour planned, if someone wishes to make coffee and punch only, I am sure it will be greatly appreciated.

Once again, the deacons wish to thank all who have been liturgists and scripture readers. This is a wonderful way to contribute your time and talents to our church services. Thank you all again and know that you are appreciated.

The DOMs for June are Jennifer Hanrahan and Minna Good.

The next deacon's meetings will be Saturday, June 5th at 9:30 am and Thursday, June 10th at 5pm. Meetings will be at the church, masks required.

Minna Good

The Finance Committee has been putting in some extra meeting time trying to work out next year's budget. A final draft has not yet been completed. It will be ready to be presented for the approval of the congregation at the annual meeting.

At our most recent meeting, current net loss for this fiscal year was reported at \$55,218. Though sobering, this was not entirely unanticipated since we have been operating on a deficit budget. The shortfall has been supported by withdrawals from the endowment. Much is due to this past year's challenges during the pandemic. Resuming church services should help our revenue as we slowly resume more of our normal activities.

The report from the Investment Advisory Team was overall positive, with value holding steady, though some of the returns for the first quarter were not optimal.

Stewardship will be promoted this year with a series of "Stewardship Moments" presented each Sunday until June 20th. Pledge cards have been mailed to all of you and we hope to receive them back soon.

In closing, a shout-out to all people who helped put on the Rummage/Yard Sale. It was truly inspirational to see all the effort put into that successful event. Congratulations to all!

Sue Krebs
Janet Wilson

We met with and contracted Bill Farrell of William Farrell Video Productions to film by aerial drone the steeple and the roof of the Church. Bill got some very good photos of the damage to the steeple and roof that we will present at the annual meeting.

We met with the neighbor next to the parsonage, requesting permission to remove limbs from the trees overhanging her property. She brought to our attention some of the trees that need to be removed that are dead or dying. We are trying to meet with Rice Tree Service to discuss taking out some trees and trimming others.

We met with Jerod from Tip Top Maintenance about beginning a clean-up of the area on the back parcel of land that the Church purchased a couple years ago.

We have scheduled Expert Pest Services to spray around the Parsonage and Church for black ants, which have now become active.

In June the annual inspection and certification of the elevator will be done by the State of New Hampshire, Countryside Lock and Alarm, and Otis Elevator.

It is with eager anticipation that we await the beginning of repair work on the steeple. We expect work to begin in early July. Be warned the front area of the Church will be taped off as a work zone for safety.

Trustee George Jeffrey painted the nasty door going into the furnace room! Thanks, George! Who knew there was a nasty door down there?

For the Trustees, Dale Woodward

In Christ,
Richard Malmberg

June 2021

I've been filling out the questionnaire from the May Parish Visitor. It's on the dining room table so when I have another thought to write down the page is handy. Certainly, there are parts of Zoom church that none of us will miss but there are some aspects of Zoom I think will be with us for a while (how about cold, winter meetings on Zoom while remaining in the comforts of our home). Please fill out the form if you haven't already.

Transitions are tough. Here we are returning to the sanctuary in a hybrid model for a few weeks (don't forget the outside service June 6) and we're planning on being in church for services starting June 20. June 20 is also the Annual Meeting. We have a new sound system and a video camera so the services, like the one today, May 23, are two huge steps forward to returning completely to the sanctuary yet continuing to reach out to the wider community. Gordon Pugh and Bruce and Jan Martin donated funds to pay for the sound and video systems. Thank you.

Yesterday, May 22, Richard, Amy, Paul, Minna and I had a practice session in preparation for re-entry into the sanctuary. Thank you to them for their tireless effort to bring quality services over the last year but especially for working to have services in the sanctuary. With being able to broadcast the services live on Zoom we'll still have Ginny, Marie, Laura, Jim, my grandchildren

(maybe) and so many others near and far join us. And maybe, just maybe, some of the near ones will join us in the sanctuary. There is always hope. New people will arrive when they experience what we do and want to be part of it.

Here comes summer. We're not out of this pandemic yet. The COVID-19 virus is still active in Cheshire County. Until a larger percentage of our population is vaccinated many public health professionals maintain that we need to satisfy two of the three most accepted guidelines in order to stay safe: be outside, wear a mask and keep 6' apart. If we're going to be in the sanctuary that means be prepared to wear a mask and stay 6' apart. See you in church soon.

Peace, Chuck

Women's Fellowship met at the home of Betsey Congdon for a meeting, pot-luck supper and fellowship on May 12th. Although there were only 11 ladies in attendance there was good food and enjoyable conversation. We had a short business meeting which included an election of officers. Sue Krebs was elected as secretary and Jan Martin as treasurer. We also voted to give \$600.00 to Bekki Bowen for a camp scholarship to the Horton Center. We didn't have a planned program and everyone was content to share life experiences caused by the Covid 19 pandemic. Women's Fellowship had a table at the rummage/yard sale and made a little money - \$68.15 - and Kathy donated the \$134.00 she made from the sale of her home-made cinnamon buns. Women's Fellowship will not be meeting again until September.

THE DEACONS

Good morning Church. We ask you all to pray for good weather on June 6th. It is a Communion Sunday, and the deacons are hoping to have all of us gather together for an outdoor service at 10 am. Our first non-zoom service in thirteen months! Hallelujah and Amen. The deacons have purchased Covid safe, individual servings of the elements for Communion. This will also be Pastor Richard's first face-to-face service since he arrived thirteen months ago. Although there is no coffee hour planned, if someone wishes to make coffee and punch only, I am sure it will be greatly appreciated.

Once again, the deacons wish to thank all who have been liturgists and scripture readers. This is a wonderful way to contribute your time and talents to our church services. Thank you all again and know that you are appreciated.

The DOMs for June are Jennifer Hanrahan and Minna Good.

The next deacon's meetings will be Saturday, June 5th at 9:30 am and Thursday, June 10th at 5pm. Meetings will be at the church, masks required.

Minna Good

The Finance Committee has been putting in some extra meeting time trying to work out next year's budget. A final draft has not yet been completed. It will be ready to be presented for the approval of the congregation at the annual meeting.

At our most recent meeting, current net loss for this fiscal year was reported at \$55,218. Though sobering, this was not entirely unanticipated since we have been operating on a deficit budget. The shortfall has been supported by withdrawals from the endowment. Much is due to this past year's challenges during the pandemic. Resuming church services should help our revenue as we slowly resume more of our normal activities.

The report from the Investment Advisory Team was overall positive, with value holding steady, though some of the returns for the first quarter were not optimal.

Stewardship will be promoted this year with a series of "Stewardship Moments" presented each Sunday until June 20th. Pledge cards have been mailed to all of you and we hope to receive them back soon.

In closing, a shout-out to all people who helped put on the Rummage/Yard Sale. It was truly inspirational to see all the effort put into that successful event. Congratulations to all!

Sue Krebs
Janet Wilson

We met with and contracted Bill Farrell of William Farrell Video Productions to film by aerial drone the steeple and the roof of the Church. Bill got some very good photos of the damage to the steeple and roof that we will present at the annual meeting.

We met with the neighbor next to the parsonage, requesting permission to remove limbs from the trees overhanging her property. She brought to our attention some of the trees that need to be removed that are dead or dying. We are trying to meet with Rice Tree Service to discuss taking out some trees and trimming others.

We met with Jerod from Tip Top Maintenance about beginning a clean-up of the area on the back parcel of land that the Church purchased a couple years ago.

We have scheduled Expert Pest Services to spray around the Parsonage and Church for black ants, which have now become active.

In June the annual inspection and certification of the elevator will be done by the State of New Hampshire, Countryside Lock and Alarm, and Otis Elevator.

It is with eager anticipation that we await the beginning of repair work on the steeple. We expect work to begin in early July. Be warned the front area of the Church will be taped off as a work zone for safety.

Trustee George Jeffrey painted the nasty door going into the furnace room! Thanks, George! Who knew there was a nasty door down there?

For the Trustees, Dale Woodward

Zimbabwe Container Project: July 14th

It has been a couple of years, but here we go again! Let's fill up boxes to send to Chiredzi and other churches in Zimbabwe. Churches in New Hampshire will be filling up a shipping container to be sent over. They have not set an exact date but are planning on late August or early September. We need to hustle. We plan on a drop off date at our church on Wednesday, July 14 from 1 to 6pm. Here is what they would like to receive:

Medical supplies—eyeglasses, magnifiers, etc., **Tools**—(nothing that needs to be plugged in), **Personal Care** items, **Athletic equipment**, **Clothes** (climate appropriate and shoes in excellent condition), **Artist supplies**, **Sewing items**. That's our list, so let's get going. Once we receive all your items, we need to sort, box and label and be ready to deliver to Spalding High School.

There will be more information coming in the Thursday announcements and in the bulletins.

Just imagine how excited our church in Zimbabwe will be to receive gifts from us. As Bonnie said, "It will be like Christmas". Please start thinking what you want to send to our sisters and brothers in Chiredzi.

In other news, we want to thank the volunteers at our recent Rummage Sale. You made the day go smoothly and saved us from overtime. We appreciate all your help. We could not do it without you. So, we may have to do it again in the fall.

Upcoming on June 6 and 13, will be the Strengthen the Church offering. You'll find out more in a separate article.

Missions would not be in Action without you.

Thanks for all your support. Peg Winnen,

Strengthen the Church Offering

Your "opportunity for giving" in the month of June is to honor our 5 for 5 commitment by giving to Strengthen the Church.

This fund goes directly to building up the UCC by supporting leadership development, new churches, youth ministry and innovations in existing churches.

We will be taking contributions June 6th and June 13th. Your checks should be made out to First Congregational Church with Strengthen the Church in the memo line and put into Linda Smith's mailbox.

Thank you for your continued commitment to these special offerings. Chris Miller

PLEASE POST THIS CALENDAR FOR EASY REFERENCE

JUNE 2021

Calendar subject to change due to challenges of Covid-19

Sunday, June 6	Worship Service Outdoor Service - Weekly Offering Communion Sunday	10:00 am
Wednesday, June 9	Executive Board Meeting	5:00 pm
Thursday, June 10	Deacons Meeting	5:00 pm
Saturday, June 12	Council Meeting on Zoom	8:30 am
Sunday, June 13	Worship Service online via Zoom - Weekly Offering	10:00 am
Tuesday, June 15	Finance Committee Meeting	4:30 pm
Sunday, June 20	* Grand Re-opening Worship Service in the Sanctuary ! * Annual Meeting following the service - Weekly Offering	10:00 am

Another \$10,000 Food Challenge!

The anonymous donor has come through yet again. This time it is for Friendly Meals which are served twice a week in Alstead. If the community can donate \$10,000 by the 4th of July, that amount will be matched.

Let's make this our opportunity for giving between Memorial Day and the 4th of July.

We will need to end the donating period by Sunday, June 27th in order for them to receive our contributions by the 4th of July.

Thank you for stepping up to this challenge.

We have had a lot of interest in the apple pie recipe that was made for our bake sale.

Mystery solved. It was Rachel St. John's pie and here are her instructions.

"I wish it was a great story about it, but really it is just an [allrecipes.com](https://www.allrecipes.com) recipe and store-bought crust.

Filling: <https://www.allrecipes.com/recipe/12682/apple-pie-by-grandma-ople/>

I latticed the top and did an egg wash on it (mix up a raw egg, brush on exposed crust just before putting it in the oven). That's it!

I am not sure if it is okay to distribute recipes that are from a website, but since there is no money involved and if it is properly credited, my guess is that it would be fine."

2021

FROM THE PASTOR'S DESK

Friends,

I am so excited to write about worshipping together for the first time since I arrived last May. We are getting ready. On May 23rd, we ran the Zoom service from the sanctuary. I got to preach from the pulpit for more than a year! Zooming from the front parlor of the parsonage, I always led worship in my slippers. I really did not mind wearing shoes again.

On June 6, weather permitting, we will have an outdoor Communion service on the North side of the church, near the Memorial Garden. It will be one more step toward worshipping in the sanctuary again. When we return to the sanctuary, we will still need to exercise an abundance of caution.

For the time being, we will have to require masks while inside the building for all people at all times. Even though many of us are fully vaccinated, we are not asking anything more than retail outlets and offices require, in keeping with current CDC guidelines.

We are all tired of wearing masks. Hopefully, they will be behind us soon. Think of wearing a mask as an act of hospitality. By wearing masks while we are in the church, we are telling everyone who comes through the door that we want them to feel safe with us.

In Christ,
Richard Malmberg

June 2021

I've been filling out the questionnaire from the May Parish Visitor. It's on the dining room table so when I have another thought to write down the page is handy. There will be more information coming in the Thursday announcements and in the bulletins.

Just imagine how excited our church in Zimbabwe will be to receive gifts from us. As Bonnie said, "It will be like Christmas". Please start thinking what you want to send to our sisters and brothers in Chiredzi.

In other news, we want to thank the volunteers at our recent Rummage Sale. You made the day go smoothly and saved us from overtime. We appreciate all your help. We could not do it without you. So, we may have to do it again in the fall.

Upcoming on June 6 and 13, will be the Strengthen the Church offering. You'll find out more in a separate article.

Missions would not be in Action without you.

Thanks for all your support. Peg Winnen,

Strengthen the Church Offering

Your "opportunity for giving" in the month of June is to honor our 5 for 5 commitment by giving to Strengthen the Church.

This fund goes directly to building up the UCC by supporting leadership development, new churches, youth ministry and innovations in existing churches.

We will be taking contributions June 6th and June 13th. Your checks should be made out to First Congregational Church with Strengthen the Church in the memo line and put into Linda Smith's mailbox.

Thank you for your continued commitment to these special offerings. Chris Miller

Another \$10,000 Food Challenge!

The anonymous donor has come through yet again. This time it is for Friendly Meals which are served twice a week in Alstead. If the community can donate \$10,000 by the 4th of July, that amount will be matched.

Let's make this our opportunity for giving between Memorial Day and the 4th of July.

We will need to end the donating period by Sunday, June 27th in order for them to receive our contributions by the 4th of July.

Thank you for stepping up to this challenge.

We have had a lot of interest in the apple pie recipe that was made for our bake sale.

Mystery solved. It was Rachel St. John's pie and here are her instructions.

"I wish it was a great story about it, but really it is just an [allrecipes.com](https://www.allrecipes.com) recipe and store-bought crust.

Filling: <https://www.allrecipes.com/recipe/12682/apple-pie-by-grandma-ople/>

I latticed the top and did an egg wash on it (mix up a raw egg, brush on exposed crust just before putting it in the oven). That's it!

I am not sure if it is okay to distribute recipes that are from a website, but since there is no money involved and if it is properly credited, my guess is that it would be fine."

2021

FROM THE PASTOR'S DESK

Friends,

I am so excited to write about worshipping together for the first time since I arrived last May. We are getting ready. On May 23rd, we ran the Zoom service from the sanctuary. I got to preach from the pulpit for more than a year! Zooming from the front parlor of the parsonage, I always led worship in my slippers. I really did not mind wearing shoes again.

On June 6, weather permitting, we will have an outdoor Communion service on the North side of the church, near the Memorial Garden. It will be one more step toward worshipping in the sanctuary again. When we return to the sanctuary, we will still need to exercise an abundance of caution.

For the time being, we will have to require masks while inside the building for all people at all times. Even though many of us are fully vaccinated, we are not asking anything more than retail outlets and offices require, in keeping with current CDC guidelines.

We are all tired of wearing masks. Hopefully, they will be behind us soon. Think of wearing a mask as an act of hospitality. By wearing masks while we are in the church, we are telling everyone who comes through the door that we want them to feel safe with us.

In Christ,
Richard Malmberg

June 2021

I've been filling out the questionnaire from the May Parish Visitor. It's on the dining room table so when I have another thought to write down the page is handy. Certainly, there are parts of Zoom church that none of us will miss but there are some aspects of Zoom I think will be with us for a while (how about cold, winter meetings on Zoom while remaining in the comforts of our home). Please fill out the form if you haven't already.

Transitions are tough. Here we are returning to the sanctuary in a hybrid model for a few weeks (don't forget the outside service June 6) and we're planning on being in church for services starting June 20. June 20 is also the Annual Meeting. We have a new sound system and a video camera so the services, like the one today, May 23, are two huge steps forward to returning completely to the sanctuary yet continuing to reach out to the wider community. Gordon Pugh and Bruce and Jan Martin donated funds to pay for the sound and video systems. Thank you.

Yesterday, May 22, Richard, Amy, Paul, Minna and I had a practice session in preparation for re-entry into the sanctuary. Thank you to them for their tireless effort to bring quality services over the last year but especially for working to have services in the sanctuary. With being able to broadcast the services live on Zoom we'll still have Ginny, Marie, Laura, Jim, my grandchildren

(maybe) and so many others near and far join us. And maybe, just maybe, some of the near ones will join us in the sanctuary. There is always hope. New people will arrive when they experience what we do and want to be part of it.

Here comes summer. We're not out of this pandemic yet. The COVID-19 virus is still active in Cheshire County. Until a larger percentage of our population is vaccinated many public health professionals maintain that we need to satisfy two of the three most accepted guidelines in order to stay safe: be outside, wear a mask and keep 6' apart. If we're going to be in the sanctuary that means be prepared to wear a mask and stay 6' apart. See you in church soon.

Peace, Chuck

Women's Fellowship met at the home of Betsey Congdon for a meeting, pot-luck supper and fellowship on May 12th. Although there were only 11 ladies in attendance there was good food and enjoyable conversation. We had a short business meeting which included an election of officers. Sue Krebs was elected as secretary and Jan Martin as treasurer. We also voted to give \$600.00 to Bekki Bowen for a camp scholarship to the Horton Center. We didn't have a planned program and everyone was content to share life experiences caused by the Covid 19 pandemic. Women's Fellowship had a table at the rummage/yard sale and made a little money - \$68.15 - and Kathy donated the \$134.00 she made from the sale of her home-made cinnamon buns. Women's Fellowship will not be meeting again until September.

THE DEACONS

Good morning Church. We ask you all to pray for good weather on June 6th. It is a Communion Sunday, and the deacons are hoping to have all of us gather together for an outdoor service at 10 am. Our first non-zoom service in thirteen months! Hallelujah and Amen. The deacons have purchased Covid safe, individual servings of the elements for Communion. This will also be Pastor Richard's first face-to-face service since he arrived thirteen months ago. Although there is no coffee hour planned, if someone wishes to make coffee and punch only, I am sure it will be greatly appreciated.

Once again, the deacons wish to thank all who have been liturgists and scripture readers. This is a wonderful way to contribute your time and talents to our church services. Thank you all again and know that you are appreciated.

The DOMs for June are Jennifer Hanrahan and Minna Good.

The next deacon's meetings will be Saturday, June 5th at 9:30 am and Thursday, June 10th at 5pm. Meetings will be at the church, masks required.

Minna Good

The Finance Committee has been putting in some extra meeting time trying to work out next year's budget. A final draft has not yet been completed. It will be ready to be presented for the approval of the congregation at the annual meeting.

At our most recent meeting, current net loss for this fiscal year was reported at \$55,218. Though sobering, this was not entirely unanticipated since we have been operating on a deficit budget. The shortfall has been supported by withdrawals from the endowment. Much is due to this past year's challenges during the pandemic. Resuming church services should help our revenue as we slowly resume more of our normal activities.

The report from the Investment Advisory Team was overall positive, with value holding steady, though some of the returns for the first quarter were not optimal.

Stewardship will be promoted this year with a series of "Stewardship Moments" presented each Sunday until June 20th. Pledge cards have been mailed to all of you and we hope to receive them back soon.

In closing, a shout-out to all people who helped put on the Rummage/Yard Sale. It was truly inspirational to see all the effort put into that successful event. Congratulations to all!

Sue Krebs
Janet Wilson

We met with and contracted Bill Farrell of William Farrell Video Productions to film by aerial drone the steeple and the roof of the Church. Bill got some very good photos of the damage to the steeple and roof that we will present at the annual meeting.

We met with the neighbor next to the parsonage, requesting permission to remove limbs from the trees overhanging her property. She brought to our attention some of the trees that need to be removed that are dead or dying. We are trying to meet with Rice Tree Service to discuss taking out some trees and trimming others.

We met with Jerod from Tip Top Maintenance about beginning a clean-up of the area on the back parcel of land that the Church purchased a couple years ago.

We have scheduled Expert Pest Services to spray around the Parsonage and Church for black ants, which have now become active.

In June the annual inspection and certification of the elevator will be done by the State of New Hampshire, Countryside Lock and Alarm, and Otis Elevator.

It is with eager anticipation that we await the beginning of repair work on the steeple. We expect work to begin in early July. Be warned the front area of the Church will be taped off as a work zone for safety.

Trustee George Jeffrey painted the nasty door going into the furnace room! Thanks, George! Who knew there was a nasty door down there?

For the Trustees, Dale Woodward

Zimbabwe Container Project: July 14th

It has been a couple of years, but here we go again! Let's fill up boxes to send to Chiredzi and other churches in Zimbabwe. Churches in New Hampshire will be filling up a shipping container to be sent over. They have not set an exact date but are planning on late August or early September. We need to hustle. We plan on a drop off date at our church on Wednesday, July 14 from 1 to 6pm. Here is what they would like to receive:

Medical supplies—eyeglasses, magnifiers, etc., **Tools**—(nothing that needs to be plugged in), **Personal Care** items, **Athletic equipment**, **Clothes** (climate appropriate and shoes in excellent condition), **Artist supplies**, **Sewing items**. That's our list, so let's get going. Once we receive all your items, we need to sort, box and label and be ready to deliver to Spalding High School.

There will be more information coming in the Thursday announcements and in the bulletins.

Just imagine how excited our church in Zimbabwe will be to receive gifts from us. As Bonnie said, "It will be like Christmas". Please start thinking what you want to send to our sisters and brothers in Chiredzi.

In other news, we want to thank the volunteers at our recent Rummage Sale. You made the day go smoothly and saved us from overtime. We appreciate all your help. We could not do it without you. So, we may have to do it again in the fall.
