*Patience is power. Patience is not an absence of action;
rather it is “timing”, it waits on the right time to act,
for the right principles, and in the right way.*

Call to Worship (Based on Psalm 99)

Leader: God reigns; let the people tremble!

**People: God sits enthroned upon the cherubim;
let the earth quake!**

Leader: God is great in Zion, exalted over all the peoples.

People: Let us praise God's great and awesome name! Our God is Holy!

Leader: Mighty Sovereign, you have established equity;
you have executed justice and righteousness in the land.

**All: Extol God, and worship at the holy mountain;
for our sovereign God is Holy!**

Hymn NCH #491 *Awake, My Soul, Stretch Every Nerve*

Prayer of Invocation and Confession (unison)

God, your light shines on us and in us. You light a fire within every human heart. You created us each in your image and fill us with your love. You weave us into a fabric of friendships, families, and community. Yet sometimes we turn from the light. We neglect the responsibilities of our relationships. We ignore so much we should and could do and do things we should not. We use words that hurt when other words could heal. Forgive us, we pray. Grant us courage to be part of the goodness of creation. Let us feel your presence as we open our hearts to you in silence...

Go now in faith, steadfast, strong, and true. Know He will guide you in all you do.
